LaserPak

Laser Printer Maintenance Program

All **KACO LaserPak** maintenance programs begin with a no charge laser printer inspection. This inspection establishes a base for the laser printer's age, condition, service history, immediate and future supplies and maintenance needs.

The inspection information below will be used to provide you with a schedule of maintenance, and estimated costs. As an additional benefit **KACO** will schedule automatic toner delivery, installation and cartridge recycling so you never need be caught without toner again.
